

Captains Report 2015

It is with pleasure that I write this annual report to the members of Murwillumbah golf club. This year 2015 started off with a small flood but minimal golf days were lost with bad weather, competition field numbers have been growing all year both Wednesday and Saturday and this is pleasing to see.

I would like to thank the golf operations staff, led by Joe Chillcott and Adam Causely, I would like to thank them personally for their professional management of golf operations this year and a special thanks to Steve Walton for his work with the Thursday 9 hole comp. Thanks to the match committee for their effort and support this year.

Congratulations to all the Championship winners both Ladies and men and all major event winner's through the year well done. Next year 2016 brings changes to the rules of golf so watch out for those come January.

In closing I would like to quote a passage from the first page of the rule book " play the ball as it lies, play the course as you find it, and if you cannot do either, do what is fair but to do what is fair, you need to know the rules of golf".

Thank you and good golfing.

Neil Fogo Captain
