What a fabulous turnout for our Xmas Event held at the Club on the 22nd December.

A big thankyou to Mr and Mrs Claus, what a huge hit with the kids and parents alike. We hope to see you back at the Club again next year....

Manager's Report.

**SOUTHERN CROSS
CREDIT UNION**

It's been a busy start to the New Year. The 8th green renovations are well under way with Brian Cox doing a very good job overseeing the design and construction. Looking forward to playing the hole in the not too distant future. In the meantime the feedback from members and social golfers is very positive about having hole 8A to play rather than just a temporary green.

The new outdoor deck construction is going to schedule and has created a lot of interest and talking points for members and visitors watching the progress. We all look forward to getting out there and enjoying the view.

A special thanks to Brad and all the Golf Shop staff for a job well done during a very busy time while Adam was on holidays. Also to Brian and his greens staff for keeping the course in such great shape while we had so much social play despite the extremely hot and humid weather.

The Club is the place to be on Friday nights with 30 bigger and better meat trays to be won in the raffles and the Members Draw building again, at time of print \$4,500. Don't forget the Courtesy Bus is available for pick ups in the local area Friday and Saturday nights, call the Club early to book.

If you like your rum try the new Untold Caribbean Rum 6% with Cola or Ginger Beer now in the bar for \$8 or take home a 4 pack for \$24. Also for Summer we have Asahi Soukai 3.5% in the bar and golf shop for \$4.50 a stubby and \$15 a 6 pack or try one of our new frozen cocktails. Purchase any Schweppes drink or Great Northern beers in January and you could win an esky or one of two \$250 Visa Cards. See staff for more details.

Please join us in celebrating Australia Day Friday 26th January. The Hot Wok & Grill will be open for lunch and dinner with a specials menu..Meat and seafood raffles, with tickets on sale from 6pm and prizes for best dressed male and female as well as the usual Members Draw. Don't forget to check your Club Calendar for other upcoming events.

We are looking forward to a prosperous 2018 for all.

Good golfing

Golf Shop News

Happy New Year to all our members and their guests, we in the golf shop hope you had a great Christmas & New Years. We look forward to a bigger and better 2018 with exciting new works both on course and throughout the club.

Congratulations to our golf shop staff for providing such great service to all our visitors during our busiest time of the year. Our carts were very busy and the boys did a great job ensuring maximum usage of our carts during this time. A Special mention has to go to our favourite red head Brett Draman who has been working in both the bar and golf shop for a while now, sometimes working the morning in the golf shop and closing the bar late at night. It's great to have someone with such a great work ethic on our team.

It was great to see so many of our members on course with family and friends enjoying the festive season. I can't tell you how many times we were told by visiting players how impressed they were with our golf course and the condition it was presented so congrats to Brian and the team for presenting the course so well during this busy time.

For our ladies we have just had a new drop of ladies clothing from Cutter & Buck so get in quick and come check them out while stocks last.

What are the game's best quotes:

1. Golf is a good walk spoiled. Mark Twain
2. The young guys have got it all wrong. They throw the club backwards. You should always throw it forwards so you don't have to walk extra distance to get it. Bob Green
3. The score a player reports on any hole should be regarded as his opening offer. Ian Armour
4. Golf is a game in which you yell fore, shoot six and write down five. Bill Quantrill

“ I ’m on the 18th Green standing over my ball, attempting to sink it to win the Club Championship. I stroke the ball confidently to the cup and in it drops..... and that’s when I wake up!!!!”
Well.... If you’re going to dream where better to do it than at the Murwillumbah Golf Course, where we have a Management Board with an eye to the future, friendly Staff and terrific Green Keepers.
I’ve enjoyed playing here for the last 10 years or so and hope to continue for the next 10 years and..... who knows sometimes dreams do come true!!!

“I’ve a been a member of MGC for close on 40 years !” What’s kept me here so long? Well, there was always the challenge of getting my handicap down, but that proved very difficult..... I started on 36 (the most handicap you could be given then!) and am now on 33!
So what has kept me here has been two things- the warm friendships I have enjoyed all these years, and the beauty of the course: the mountains all around, the glorious flowering trees , the colourful birds they attract and the peaceful quiet! May we all long continue to cherish and enjoy this place!

Murwillumbah Golf Course is a particularly picturesque park-like piece of real estate. I am honoured to have served on the Women’s Committee for several years and as President in the 1980’s. Jack Newton once said our course was a little known jewel in the crown of country golf clubs.
My most memorable golfing achievement was being one of four women in the Spalding Cup Team in 1998. We won the State Title which took us to play two Melbourne courses Yarra and Kingston Links and a Pro-Am with Carrie Web, Jane Crafter and others of that era.
We beat all States by 23 pts to become National Winners... Oh! What a week that was. Forgot to mention..... Business Class Air travel... WOW!

Tips From The Range

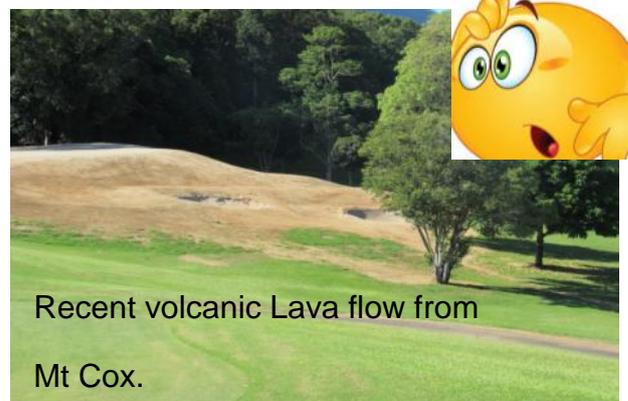

With Graeme Trew.

Chipping: Many golfers struggle with a small shot from just off the green, electing to putt instead. There are many ways to chip from within 5 meters of the green, however the easiest way is to take a 7 iron and use it like a putter.

1. Take your putting grip.
2. Place the ball in the exact position you would for putting.
3. Take a few practice putting strokes beside the ball first to get the feel for the grass, making sure you are only brushing the grass.
4. Then go ahead and putt with your 7 iron.
5. If the ball is going too far you may be using too much wrist, so you can take a 9 iron, eliminate the wrist or make a smaller stroke.
6. For a longer running chip maybe try a 5 iron or a hybrid club.

WELL DONE MISS MOLLY LAWSON !!!!

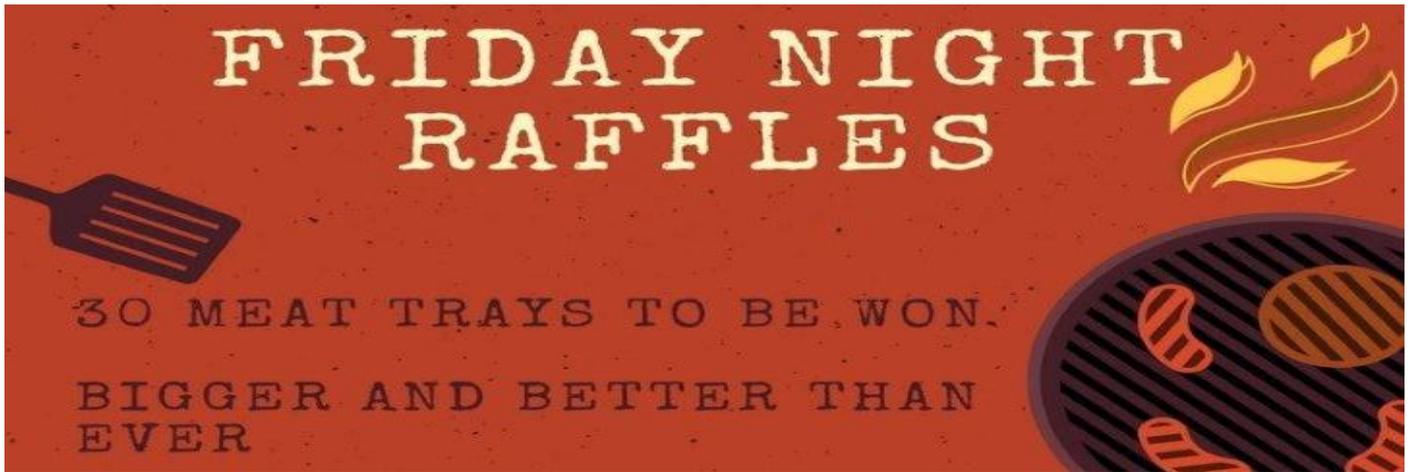

Whilst at the Club a few weeks ago this wonderful 12 years old school girl found a ring in a small clear plastic bag. She immediately handed it to her mother, who in turn handed it to bar staff and we were able to find the person who lost it.

The ring was a valuable wedding ring that the best man had collected for the groom to present to his bride the next day at the wedding.

They were both very lucky Molly was obviously an honest young person.
