

## ANNUAL HOUSE REPORT 2018

It has again been a good year for the club with the new balcony proving to be a popular area for people to spread out when the club gets a bit busy.

The club's Friday night raffles still continue to attract good crowds so a big thanks to Bill and Ian for all their work.

Charlene and Victor have once again renewed their contract with the club so we can look forward to the good service and wonderful food they provide.

A big thanks to Natasha and Debbie for all their hard work in organising our major raffles and the clubs entertainment.

Our club is very lucky to have the courteous and helpful staff that we have so the House Committee would like to thank all staff for their part in making it another successful year for the club's members.
