

Women's President's Report

2018

This year has been a successful one for golf because we didn't have a flood. Consequently, regular attendance and income have ensured practical and easy planning.

Our Open Day in March had a field of 90 players who enjoyed our lovely course. We raise funds on this day annually for Breast Cancer funds. This year we contacted Dragon Boats on the Tweed and raised \$500 for the work they do to help Breast Cancer survivors in our area.

Mt Warning Classic held in August celebrated 25 years this year. Again it was a sellout and attracted players from Tasmania to north of Brisbane. It is always a full team effort especially from Captain Jenny Miller and the Match committee; Vice-president Mary Walden and the House committee; Caroline Barr and Addie Wedlock for the wonderful raffle; Gary Fidler and Narelle and Vince Formica for organising the wonderful troupe of volunteers on the course; Val Ireland who contacted our many sponsors; and Marie Morrin and the troupe who performed the wonderful skits. In this terrible drought generous players donated over \$1000 which our committee topped up to \$2000. This went to the Drought Angels to use in those stricken areas.

Our treasurers, Karyn Mottershead and Marie Morrin {T1 and T2} have made a lot of headway with streamlining our accounts. One difficulty has been collecting a "bulk fee" each year to offset the many outside competitions and internal trophies. So next year players competition fees will be raised to cover these outgoings, making this collection more fair in its distribution.

Our Champions this year were decided in September:

Division 1 Robyn Jones; Div 2 Gloria Swan; Div 3 Denise McGregor - Skinner; Vet Pauline Smith ; and Senior Vet Marlene Dorrough .

Our Foursomes Champions are Div 1 Dallas McCabe/Adrienne Amisano; Div 2 Jeanette Chapman/Kay croft; Div 3 Jenny Dobinson/Dee Wright.

Congratulations ladies on your outstanding effort.

This year both Jenny Miller and I will step down. The ladies have given us great support. We leave a very healthy committee supported by Julie Connell, secretary extraordinaire; Karyn Mottershead, switched on money manager with her side- kick and manager, Marie Morrin; and truly capable committee members. We wish the incoming committee our best wishes and any support they need.

Our continuing search for new members is ably supported by Graeme Trew our capable pro. He is very involved in fostering juniors and Seniors so that many more people are introduced to our sport. His initiatives in seeking funding and programmes in this area are greatly appreciated.

We would like to thank the wonderful people who work at this course and who give us such generous backup: Gary Thatcher, Brian Cox, Adam Causley and Terry Sullivan with their fabulous teams.
