NEWS FROM JULY 2019

### Congratulations to Lorretta Van Egdom winner of \$700

#### Second Chance Badge Draw

Congratulations to Lorretta Van Egdom on taking home \$700 cash just a couple of days after her birthday. A very happy regular Friday Night member. Well done. Remember all you have to do to win the \$10,000 badge draw or the second chance badge draw is simply be present in the clubhouse at the time of the draw with your valid membership card. It's that simple!

# Chairman's Corner

Welcome to the Newsletter.

A big thank you to all members who have renewed their membership for the 2019-2020 year. Lots of members took advantage of paying before the end of June and received the \$50 discount on their full golfing fees. If you have not yet paid your fees please do so in the next week to remain financial. Fee payments can be spread out over the year if that helps. See the office staff.

The restoration of the old pump shed (built in 1958) has begun. Under the guidance of long time member Peter Sheppard and a group of willing volunteers it was decided to restore the old building as a lasting memory of the beginnings of the club. Bill Quantrill has some old stories of the men who built the shed. Thanks Peter and your helpers for your efforts.

There will be a number of trees around the course that need to be cut down for safety reasons. Also some trees will be removed to allow for better ventilation. The Board would like to thank Paul Fahy for his input in this matter.

The Board has approved sound absorption material to be installed on the deck ceiling. Hopefully this will alleviate some of the sound problems we have in this area.

Two weeks of wet weather in July forced us to postpone the Murwillumbah Open and the Stuart Charman Day. These events will be held later in the year. Congratulations go to the winners of the 2019 Mixed Foursomes, Men's and Women's Foursomes.

You will notice of the TV screens from early August in the clubhouse that their will be information displayed about the Golfing Honour Boards and Holes-in-One from the past years. Thanks go to Andrew Moore and his team of helpers for providing the members with all this valuable information.

Our condolences go to long serving employee Aileen Rayner who lost her mother recently. Aileen has worked at this Golf Club since the early 1980's, starting off behind the bar and now working in the office. She has been a valued employee of the club for many years. Again our deepest condolences.

Don't forget that the Friday Night Members Draw stands at \$10,000!!!! You have to be in attendance with your valid membership card.

Anyway good health and good golfing.

# Golf Shop Report

When the sun was out the golf course was buzzing with bumper competition fields and a large number of social players. Cart hire was steady even with the wet conditions. It is going to be a busy month for the golf shop and club in general with numerous major events on the schedule. Commencing with the Veterans Week of Golf from Monday 29<sup>th</sup> July – Friday 2nd August. Once again the field is maxed for this event with visitors from all over Australia. The following week the club is hosting the Ladies Mt Warning Classic on the 8<sup>th</sup> & 9<sup>th</sup> of August where once again the golf club will welcome visiting golfers from far and wide. Preparations for the 2019 Murwillumbah Coca Cola Pro-am are well underway with the major event scheduled for Thursday 15<sup>th</sup> August. A registration form is available in the golf shop for members wanting to play in the 7:15am shotgun start and sponsors are reminded they will be entered in the afternoon field.

The Murwillumbah Open was postponed on Sunday 7<sup>th</sup> July due to heavy rain during the days leading up to the event. The decision was made early Friday to assure that all competitors were given substantial notice via our website and social media. A new date has been set for Sunday 1<sup>st</sup> September and promotion of the event has commenced. Once again Titleist has generously supplied prizes for the Murwillumbah Open which will be displayed in the clubhouse during the lead up to the event. The Stu Charman Memorial golf day was also scheduled to be played in July but due to lack of interest two weeks prior to the event we were forced to postpone it till Friday 27<sup>th</sup> September.

# Golfers! How can you learn to diagnose your faults?

This is a great tool to have. Knowing how and why a slice or shank happens will enable you to make slow adjustments that get your ball back on the straight and narrow. To diagnose wayward shots, you have to focus on clubhead path– the line on which the clubhead moves back from and into the ball– and face alignment– the angle of the clubface at impact in relation to the clubhead path. The outcome of every shot you play is mainly determined by this relationship.

## Teeing up or down

**PROBLEM:** On my tee shots, I tee the ball up high to get some loft. When I do that, I sky it and pull it off line to the left. When I tee it low, I top it and don't get and distance at all. What should I do?

**ANSWER:** You should transfer your weight to the left side on the down swing. You are obviously scooping the shot, causing you to sky it when teed high and top it when teed low. This is caused by having too much weight on the right foot when you hit the ball.

# Joke Time

Wife texts her husband on a very cold winter morning, "Window frozen, won't open."  
Husband texts back, "Gently pour some lukewarm water over it and then gently tap the edges with a hammer."

Wife texts back, "Still won't open, the computer's a real mess now."  
- Thanks for the joke Jack!

Dad jokes..... " Why couldn't the bicycle stand up by itself?..... It was two tired....."

Today my son asked, "Can I have a book mark?" I burst into tears, 11 years old and he still doesn't know my name is Brian.

Yesterday my daughter e-mailed me again, asking why I didn't do something useful with my time. "Like, me sitting around the pool, drinking wine is not a good thing?" I asked. My "Doing-something-useful" seems to be her favourite topic of conversation. She was "only thinking of me", she said and suggested that I go down to the Senior Centre and join a group or something. I did this and when I got home last night, I

decided to play a prank on her.

I e-mailed her and told her I had joined a Parachute Club. She replied; "Mum are you nuts? You are 78 years old and now you're going to start jumping out of airplanes?"

I told her I even got a membership card and emailed her a copy. She immediately telephoned me and yelled, "Good grief mum, where are your glasses? This is a membership to a Prostitute club, not a parachute club!"

I calmly replied; "Oh my, I think I'm in trouble then, because I signed up for five jumps a week!"

The line went quiet then a friend picked up the phone and said my daughter had fainted.... Life as a Senior Citizen is not getting any easier, but sometimes it can be real fun!!!!!!
