

## **SECRETARY MANAGER'S REPORT FOR THE YEAR ENDING 30<sup>th</sup> JUNE 2019**

It gives me great pleasure to present this report. Financially the year has been very good with a healthy bottom line profit. Please refer to the Finance Report for more detail.

The golf course is in great condition despite the lengthy dry spells, thanks to Greens Superintendent, Brian Cox and his team.

The Board and Management are always looking to keep prices to a minimum with very little increase in bar prices despite the federal government increasing the alcohol excise every six months. Membership fees were adjusted in relation to the CPI and many members have taken the opportunity to pay by 30<sup>th</sup> June and receive the \$50 discount. The golf shop also has kept prices as low as possible with various items discounted continually throughout the year.

Thank you to our small friendly staff, Brian and greens staff, Adam and golf shop staff, Terry and bar staff and Aileen and Debbie in the office for the support throughout the year and consistently looking after members' needs and expectations.

Thanks to Charlene and Victor and their Hot Wok & Grill staff for providing quality meals at affordable prices and their efforts catering for all functions and golf events.

Graeme Trew is doing an excellent job coaching our regular golfers as well as helping bring new golfers through to becoming members of the Club. He also does great work with the junior golfers and the local schools.

Thank you to the Veterans and Ladies Committees for the time and effort they put in week in and week out and the generous contributions they have made to projects on the golf course and around the Club.

A big thank you to Bill Quantrill for putting his time into raffles and Club promotions as well as his regular help in the gardens and on the course. Thanks to all of the Friday night regular helpers and all those members who have taken the time to volunteer their services during the year, thank you for your time and efforts.

To all our members and sponsors thank you for your continued support. A big thank you to Coca-Cola in their first year as major sponsors of our Pro-am.

In conclusion I would like to thank the Board of Directors for their ongoing support, the amount of their time they give and the professionalism shown in the running of the Club.
