

Profile Shane Davidson

I have been a member of the Murwillumbah Golf Club for several years. I have made numerous friends at the club from when I first joined and have found the members of the club to be so warm and welcoming. As a result, I am keen to give back to the club and decided to nominate for the Board of Directors at the upcoming elections.

I have been playing golf for 42 years commencing when I was ten years of age. I have played junior golf, State schoolboys golf and have been a member of pennant teams at several clubs where I was a member. My family have always been involved with golf with my father being a previous President and Captain of Gosford Golf Club. He is a life member of the club and was recently appointed as patron of the club. I love the game of golf and the fact you get to meet so many people from so many varied backgrounds with stories to share. I have always said when playing golf I am there to enjoy the walk and the company of my playing partners with good golf being a bonus.

My background includes 20 years with the NSW Police Force with 17 of those years working in the courts as a Police Prosecutor. On leaving the Police Force I worked as the Assistant Ombudsman for the Northern Territory for several years before returning to the Northern Rivers area of NSW. My current employment sees me working as the Executive Officer to the General Manager at the Tweed Shire Council.

Over the years I have formed the ability to bring to the table a strong governance background from my previous roles and more so in my current role at Council. I am also a member of several committees with Tweed Shire Council. I have strong communication skills with the ability to build consensus when required. I can think strategically, set goals and I am able to present information in a logical and methodical manner. I can apply critical thought, creative problem solving and lateral thinking skills to an issue that needs attending to.

If elected I will use all of the skills I have developed over the years to ensure the best interests of the Club are my main focus.

I currently reside at Banora Point with my partner Giovanna and son Will.
