

Chairman's Corner

The Board would like to welcome all our new members and visitors.

The eaves and painting of the Clubhouse and Golf Shop have begun. This will complete the outdoor renovations and make our clubhouse look a lot better.

In the clubhouse the Board has approved plans to renovate the disabled toilets and bring it up to standard with the men's and women's toilet's. This will complete all renovations of our restrooms.

A new Revolution Coffee Machine has been installed in the Golf Shop. Please make use of it before, during or after your round of Golf.

To make things easier for the bar staff we are encouraging everyone to use their phone to sign-in during the Covid Restrictions. The bar staff will help you set-up and use if you need help.

The clubhouse continues to trade successfully in these uncertain times. Competition fields in both Men's and Women's Golf are excellent and we still have many social golfers taking advantage of our great facilities.

The Club's Master Plan has been placed on the Website under the Course Tab. You can view it and see where the Board is heading with Course Renovations. After the Championships are over work will begin on rebuilding of the 6th Green and reshaping of the 7th Fairway. Details of the work will be posted on the Website, in the Golf Shop and on the Club's Notice Board. These renovations will greatly improve these two holes. When the heavy machinery is here for this work we will consider removing the concrete slab at the corner buggy shed to make way for trailer parking.

Don't forget if you are looking for a Father's Day present the Golf Shop has a wide range of items that can be purchased for Golfers and Non-Golfers alike. Take a few minutes to look around the shop and ask the staff for assistance if required.

When inside the clubhouse please continue to follow all Covid plans. The Bar Staff are doing a great job keeping us all safe and happy.

Anyway enjoy golf and keep safe.

Manager's Notes

Welcome to our new 67 Full Golfing Members. We hope the course and the clubhouse meet all your expectations.

The winter months have been very busy on the golf course. Unfortunately major events for the Club including the Pro-am, Veterans Week of Golf and Ladies Mt Warning Classic can't be held as well as a number of Corporate Days due to the COVID-19 restrictions.

Brian Cox has settled into his new role of Golf Facilities Manager overseeing both Golf Course and Golf Shop operations. Congratulations to Brian on having the course in such great condition and working with the Golf Shop staff to look after all your golfing needs.

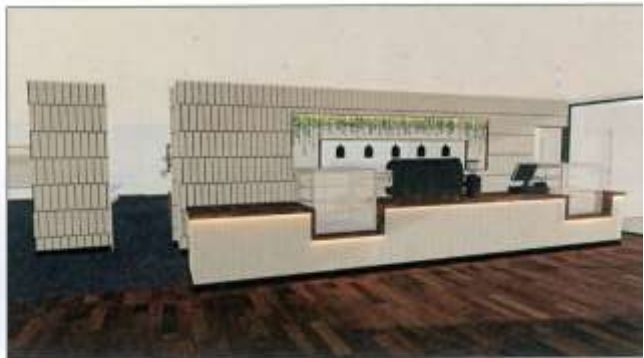

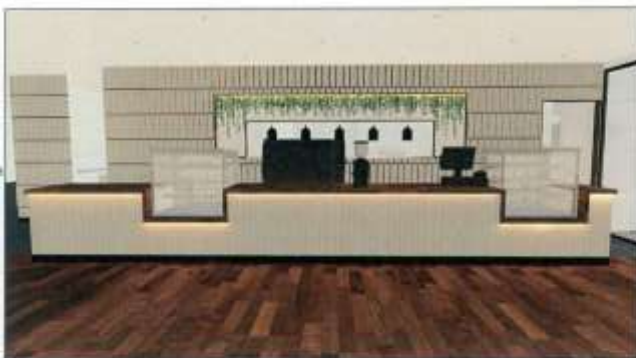

The clubhouse has been open since June 1st and members and guests have had to get used to following all the COVID restrictions. The Hot Wok & Grill is back to normal with a full menu available Tuesday through to Sunday for lunch and dinner.

Happy Hour is back with \$4.50 Schooners between 5.00 and 6.00pm Monday to Friday. Try a Peroni Nas-tro Azzurro on special for only \$4.50 in ice, on the bar

Good golfing,
Gary Thatcher - Secretary Manager

New State of the Art Kitchen

The Board have decided to now go ahead with the renovations for the new kitchen with a \$550,000 budget. This will be a great asset to our Clubhouse facilities. By the end of the year construction should be under way. See the artist's impressions below. Full floor plan is on the Club's Notice Board.

Match Report

The PGA has suggested the 5th November could be a possible date to hold the Pro-Am but this could change at any time. If we are unable to do the Pro-Am this year we will hold an appreciation day for the sponsors at the end of the year.

It was decided that Members could pay \$52 in advance and this would allow them to access the timesheet a week before the 2020 Club Championships open online. This will give the golfers who are committing to playing all 4 rounds a spot each week of the Championships and no chance of missing out in the Sunday Morning timesheet bookings.

There has been some changes to the prize format for this years Championships. The daily events will not be part of the Championship Prizes and will be seen as a normal competition day. The Championship Prize will be all the 72 hole Gross and Nett winners. This will include A,B,C and D grades and the Junior and Senior Veteran Winners. All the 72 Hole Gross Winners will receive trophies.
