

MURWILLUMBAH 'VETS'
AGM 2020
PRESIDENT'S REPORT

The good news for the year is that in spite of all the bad news associated with the Corona Virus we have continued to play golf. A few changes in the Rules had to be introduced by the Golf Club but the players have readily adopted these.

At the onset of COVID-19 the Committee deemed it necessary to discontinue our Monday and Wednesday Vet's comp which leads me, on behalf of the Committee, to a couple of very sincere "Thank Yous".

Thank you to Gary Thatcher and the Board for taking over our usual Vet's Competition time slot on Mondays by starting a Club Competition and also in giving us the assurance that we could restart as soon as we were ready to do so.

Thank you to the major percentage of our members who decided to play in the Club's Competition and I know that the Club very much appreciated this.

Our Membership numbers continue to increase and we are getting close to averaging 80 players in our Monday competition. Gary Fidler will have more details in his report.

On a sad note, Rob Bradford our diligent and hard working Secretary is bravely battling a serious illness and hasn't renewed his full membership this financial year. (Ray Kent has taken on the role of Acting Secretary.) Rob is very determined to get back to golf and we all would love to see that occur.

Our inability to run this year's "Week of Golf" and our "Vets' Open Day" means we lose our main income stream for this year but we are in a sound financial situation.

My sincere thanks to our excellent Committee for their efforts during 2019-2020.

R. C. (Bob) Green,
Honorary President
