Appendix 1 - PROMPT PACE of PLAY (Rule 5.6b)

YOUR PACE OF PLAY affects how long it takes other players to play their rounds, including your group and those behind. You should play at a prompt pace throughout your round including the time taken to:-

- Prepare for and make each shot
- Moving from one place to another between strokes, and to the next teeing area after completing a hole.

When it is your turn to play:

- YOU must make a stroke in no more than 40 secs after you are (or should be) able to play without interference or distraction, and
- YOU should be able to play more quickly than that - if each golfer takes 5 secs off each shot YOU will play in 25mins less per round.
- USE YOUR TIME WISELY when waiting to play, so YOU are ready to play when it is your turn

Ready Golf means:-

- The first player to get to tee hits off then marks their card after teeing off
- Hitting your shot when safe to do so if a player further away faces a challenging shot and needs time to assess
- Playing a provisional ball to save time if you think your ball is lost
- Hitting your shot before helping someone else look for a lost ball
- Hitting your shot if the person who has just played from a bunker is still furthest from the hole but delayed by raking the sand.
- Lining up your putt and getting set to putt while others are putting without breach of putting etiquette and putting out even if means standing close to someone else's line.
- Putting out in pairs sending the first 2 players to putt out to the next tee
- Leaving the putting green quickly when play has been completed and leaving buggies on the side of the green nearest the access to the next tee (or where directed by signage)
- Think about where you park your buggy in relation to your next shot and taking more than one club with you if you are unsure which club to use

- Know how long it has taken to play your 18 holes? 4hrs with a limit of 4 hrs 20 mins
- Unreasonable Delay of Play (Rule 5.6a) – you must not unreasonably delay play, either when playing a hole or between two holes. There are penalties for the breach of this rule and players should familiarise themselves with all the elements of Rule 5 “Playing the Round”.
