

GEENKEEPER/GOLF COURSE GENERAL HAND REQUIRED

The following operations form part of the responsibilities of the position available:

- Assistance with the timely preparation and maintenance of the Golf Course. This includes but is not limited to mowing, rolling, top dressing, seeding, turfing, sprigging, planting, etc.
- Assistance with the operation of machinery and/or equipment requiring, or not requiring, the possession of a specialised license.
- Keeping areas clean and tidy.
- Weeding and watering.
- Trimming and mowing of surrounds using hand tools.
- Operation of a limited range of vehicles, including motor vehicles.
- Assisting with compliance of applicable workplace health and safety legislation, regulations, and codes of practice.
- Any other duties as requested by the Course Superintendent or Assistant Course Superintendent.

This is a 38 hour per week permanent position.

Hours range between 5.00am and 1.30pm Monday to Friday

Applications in writing addressed to the Golf Facilities Manager.
