

To: Members of Murwillumbah Golf Club...

I am seeking your vote to continue to represent you on the Board of Directors of Murwillumbah Golf Club.

I have enjoyed the last 12 months as a Director. I have attended all monthly meetings and voted positively at all times to ensure the Club is financially secure and Members wishes are always taken into account.

I have been a member of the House Committee and the Finance Committee this year.

Working with the Promotion Officer, Natasha, we have attempted to keep Members informed of Club and Golfing matters (with a touch of humour) through the monthly Newsletter.... Now circulating to over 1100 Members. Our Friday night activities have seen our Social Membership continue to grow.

I have endeavoured to be involved in all aspects of the direction the Board of Directors have taken the Club.

At all times I have listened to Members and discussed issues relating to Board's decision.

Yes..... I would like to serve you and work for our wonderful Golf Club for another 12 months.
