

SECRETARY MANAGER'S REPORT FOR THE YEAR ENDING 30th JUNE 2021

Thank you to all our members that have supported the Club throughout another extraordinary year. Although the clubhouse did not have to lockdown the everchanging COVID-19 pandemic rules have placed the Club under many restrictions.

The Board and Management are always looking to keep prices to a minimum with very little increase in bar prices despite the federal government increasing the alcohol excise every six months. Membership fees were adjusted in relation to the CPI and many full golfing members have taken the opportunity to pay by 30th June and receive the \$60 in loyalty points. The golf shop also has kept prices as low as possible with various items discounted continually throughout the year.

The golf course is in great condition thanks to Brian Cox his assistant Tony Keyte and their team. The new 6th green and surrounds and 7th fairway have made both holes fairer for all golfers.

Thank you to all our friendly staff, Brian and golf shop staff, Terry and bar staff and Aileen and Debbie in the office for the support throughout the year and consistently looking after members' needs and expectations. Welcome to new Golf Shop Manager Shane who has settled into the job and providing lessons for all ages including a junior golf program.

The Club Calendar is back and Natasha has done an excellent job producing it as well as organising promotional activities, theme nights and entertainment for what is hopefully going to be a better year for us all in 2022.

Thanks to Charlene and Victor although no longer with us and their Hot Wok & Grill staff for providing quality meals at affordable prices. Lynn Tran has now settled in and along with Johnson and the Lynn's Kitchen staff are providing all new restaurant and café meals 7 days and nights.

Thank you to the Veterans and Ladies Committees for the time and effort they put in week in and week out and the generous contributions they have made to projects on the golf course and around the Club.

A big thank you to Bill Quantrill for putting his time into raffles and Club promotions as well as his regular help in the gardens and on the course. Thanks to all the Friday night regular helpers and all those members who have taken the time to volunteer their services during the year, thank you for your time and efforts.

To all our members and sponsors thank you for your continued support. A big thank you to Coca-Cola as major sponsors of our Pro-am, now to be held in December.

In conclusion I would like to thank the Board of Directors for their ongoing support, the amount of time they sacrifice and the professionalism shown in the running of the Club.
