Ref: Rule 22 <https://www.randa.org/en/roq/2019/rules/the-rules-of-golf/rule-22>

First 18H to be played: 7:45am – 8:36am tee times from the 1st tee

Third 9H to be played: 12:00pm – 12:56pm tee times from the 1st tee

(Entitled to a 15 min break after 18H)

- Foursomes (also known as Alternate Shot) is a form of play involving partners where two partners compete as a side by playing one ball in alternating order on each hole.
- One partner must play first for the side from the teeing area of all odd numbered holes, while the other partner must play first for the side from the teeing area of all even numbered holes. After 18 holes, partners must swap teeing order. For example, player A tees off the odd holes for the first 18 holes, player B tees off the even holes. For the third nine holes, player A will tee off from the even holes and player B will swap to tee off from the odd holes.
- If the side decides to play a provisional ball, it must be played by the partner whose turn it is to play the side's next stroke. Penalty for Making a Stroke in the Wrong Order in Breach of Rule 22.3: General Penalty. In stroke play, the side must correct the mistake: The right partner must make a stroke from where the side made the first stroke in the wrong order.
- The stroke made in the wrong order and any more strokes before the mistake is corrected (including strokes made and any penalty strokes solely from playing that ball) do not count.
- If the side does not correct the mistake before making a stroke to begin another hole or, for the last hole of the round, before returning its scorecard, the side is disqualified.
- **Play will be in groups of 6, or maximum 3 balls.**
- Based on number of entries, we will have two divisions with the average combined daily handicaps of the two players giving them a team handicap.
- **Entry fee is \$13** per player payable to the Golf Shop before the start of play.
- After your first round, **please return your scorecard to the Golf Shop** and collect your new scorecard for the third 9 holes.
- Prizes and divisions will be determined by match committee depending on final numbers. The more entries will enable more prize money up for grabs!

NTP Holes: 2 & 8, so each player will have an opportunity to win \$20 per NTP

Enjoy your day and remember, don't say "sorry"
