---

I am a passionate golfer who found a love for the game during the height of the Covid lockdowns.

I have served as a Treasurer for the Headlands Netball Association for 2 years.

I would like to help foster the growth, and nurture the future of the Murwillumbah Golf Club through strong development programs for new members.

I would like to help the club go from strength to strength and build a great playing base for us to work with.

I also promote equality and fairness for ALL of our golfing members.

If elected to office I believe I can do what is required of me for the members.
